The Turkish Grain Board (TMO) finalized its May 21, 2002 feed barley sales tender. Due to low-priced offers, TMO sold only 10,000 MT of white feed barley and 5,000 MT of black and blue feed barley for export. TMO had received offers for a total of 185,000 MT at a price range of USD 82.45 to USD 90.06.

TMO has not yet announced a procurement price for the next wheat and barley crops, but is expected to do so soon since the harvest in Cukurova Region will begin in the next few weeks.

TMO accepted the following bids:
